# HOW TO VOTE

The following information is provided to help you understand the ballot and to ensure that your vote is counted correctly. Please read this information carefully before voting.

**How to Mark Your Ballot**

Use a pencil to mark your ballot. Do not use a pen, marker, or any other writing instrument. Do not write in the spaces between the names of the candidates or in the spaces between the questions.

For each question, mark your answer by filling in the bubble next to the letter of your choice. Do not mark more than one bubble for any question. Do not mark the bubbles for "None of the Above" or "Other" unless you are sure you want to choose that option.
