

# An Examination of Christiane Pflug's Works of Art on Paper

Christiane Pflug (1936-1972) is an important German-born Canadian artist who has become known for her detailed drawings and magical realist painting style. Her artistic beginnings began in 1953 when she went to study fashion design in Paris, France. During this time, she met her future husband Michael Pflug who encouraged her to pursue painting. Christiane relocated to Tunis, Africa in 1956 and immigrated to
