plinth,

sits. The Provost said the plinth is a relatively small but, very

s t	Co-Chair Brant-Castellano told Council that the Committeen Researb	
wt us	Collaboration needs to dogroundwork before	
uts	initiating outreach to Indigenous communities This will begin at anIndigenou	<u>s</u>
M. Brant-Castellano	ResearchCollaboration Seminar on Friday October 27, 1-4pm, in conjunction	
	with the <u>19th annual Symposium on Indigenous Knowledgeosted by Four</u>	
	Directions ASC	
	The workshop includes akeynote by Alex	
	McComber on community-university partnerships with the KahnawakeSchool	bl
	Diabetes Prevention Project. Apanel of community, student and faculty	
	members will talk about their experiences in Indigenous research and the	
	afternoon will conclude with a talking circle. Participation and feedback in the	;
	workshop will provide guidance to the planning committee for future initiative	
	Dr. Brant-Castellano will write to Council and Caucus particular, to outline	
	next steps ahead of the January meeting.
