

Joint Health & Safety Committee

Administrative Services

Meeting Minutes of

required. This places a lot of extra work on the current worker members to ensure we are completing inspections as required. The committee discussed the current terms of reference and it was noted that the current Secretary can volunteer to assist the worker member and the committee can agree to delegate another worker member to assist. Marie designated Sandra to assist for the time being. All members agreed.

6. COVID-19 Updates:

- a. Covid update: It was noted that the province was currently in phase two of the

The university is now looking at what we need to look at for the third week in April when most of the remaining provincial restrictions will disappear. How will that look
